

## **Congratulations to the winners of our Oldest Furnace Radio Contest**

Gerald and Charlotte Wills of Elizabethtown!

We recently held a radio contest where every customer who called for a safety inspection would be entered to win a brand new furnace for FREE! To win, all you had to do was have the oldest furnace of all the participants. Gerald and Charlotte's furnace was 65-years-old! We installed their brand new furnace, free-of-charge.

Thank you to everyone who entered and again, congratulations to the Wills family!
